

March 2024

Warm Greetings to you, Fellow Indian Lake Residents,

We hope this letter finds you and those you love doing well, enjoying your winter wherever you are! We invite you and your families to stand alongside your neighbors and the ILIA Board of Directors to join or renew your membership with the Indian Lake Improvement Association. Please know that your commitment, membership fees and donations are instrumental in the continued work being done for the good of our lake.

Dues this year continue at \$50. If you are able to make an additional donation, we greatly appreciate your generosity! As a reminder, the ILIA is a Michigan non-profit corporation, but your dues and donations are not tax deductible. You can join or renew your membership on our website at: <https://indianlk.com> or you may fill out and return the enclosed form along with your payment. If using our website, you can click on the "Membership" tab, fill out the form and submit payment.

The ILIA fundraiser for the purchase of a new lake harvester machine is ongoing. The benefits of a lake harvester are many including: sustainable lake management, water quality improvement, personal safety, maintaining aesthetics and property values, and leaving a positive legacy for future generations. Consistent with the decision from the membership meeting in 2023, we sold the old truck, conveyor and non operable harvester for \$7500.

Questions regarding this fundraiser may be directed to Jeff Karstrand at: JKarstrand@gmail.com

We cordially invite you to join us for a Continental Breakfast prior to our general membership meeting.

[June 8, 2024, at the Indian Lake Fire Department, 33104 Old M 62, Dowagiac, MI 49047.](#)

[Breakfast will be available at 8 AM EST and the general membership meeting will follow at 9 AM EST.](#)

During the meeting we will update the membership on the progress to date and the challenges we still face. Meeting attendees that are current ILIA members have the opportunity to win door prizes, including a \$100 gift card/certificate from a local business.

For more information about the GLB, public notices, aquatic herbicide treatment history, herbicide MSDS information, and various vegetation control plans and reports visit:

<https://www.silvercreektwpmi.org/indian-lake-weed-district>

if you have questions or concerns please reach out to us at: ILIAMichigan@gmail.com or for more information about the ILIA please visit our website at: <https://indianlk.com>

Thank you again for your generosity and input!! We look forward to seeing you this summer!

ILIA Board of Directors and Officers
